The United Overseas Bank Group Unveils Singapore's Biggest Credit Card Lucky Draw

Triple Condo Draw for both UOB and OUB Credit Cardmembers

Singapore, 31 October 2001 - The United Overseas Bank (UOB) Group is pleased to announce, today, Singapore's biggest Credit Card Lucky Draw of all time. In the Triple Condo Draw*, which will be held from 1 November 2001 to 31 October 2002, all UOB and Overseas Union Bank (OUB) Credit Cardmembers will have the chance to win not one but three luxury condominiums.

Said Mr Francis Hsu, Senior Vice President of UOB Card Centre, "Just as the combination of UOB and OUB has resulted in the largest banking group in Singapore and a pre-eminent bank in the Asia-Pacific region, we have utilised our combined resources to offer the biggest and best value to Cardmembers of both banks. In the Triple Condo Draw, we are not just offering prizes, but valuable investments for our Cardmembers that can be passed on for generations to come."

The three two-bedroom properties are located in choice districts. Mandale Heights is a freehold condominium conveniently nestled in Novena, minutes away from Orchard Road. Grosvenor View, also a freehold property, rests in the active urban east. Mill Point is a trendy 999 years property situated along Zion Road in the heart of town.

Every S\$100 charged to a UOB or OUB Credit Card is equivalent to a chance to win. All chances will be brought forward to the next Draw so that both UOB and OUB Credit Cardmembers' chances will keep snowballing and get bigger and better.
